VINTAGE 2016: The 2016 vintage was characterized by a fairly balanced climatic trend, marked by a mild spring and a summer without excessive peaks of heat, allowing the vineyard to continue the vegetative cycle in a balanced way. Overall, from 1 October 2015 to 30 September 2016, 590 mm of rainfall was recorded, a slightly lower figure compared to seasonal averages. Careful vineyard management allowed us to bring into the winery healthy and well-ripened grapes, a premise of quality, long-lived wines.

The label refers to the cellars at Contessa Entellina and the land in which the roots of this wine are deeply planted: in the foreground the green of the vineyard, on a white background, communicates the freshness and pleasantness of this wine and its most recent evolution.
