# CHÂTEAU PUECH-HAUT TÊTE-DE-BÉLIER BLANC 2018

## **JEB DUNNUCK 90 PTS**

Based on 40% Viognier and 30% each of Marsanne and Roussanne that was fermented and aged in barrel, the 2018 Tête-De-Bélier Blanc offers a rich yet pure and vibrant bouquet of apricots, white flowers, honeysuckle, brioche, and caramelized pineapple. It's beautifully done, medium to full-bodied, has both richness and freshness, and a great finish. It's a brilliant white that reminds me slightly of a Condrieu from the likes of Ande Perret. Drink it over the coming year or three. - *Jeb Dunnuck*
