

BENMARCO

CABERNET SAUVIGNON

- 2019 -

UCO VALLEY, MENDOZA

"The BenMarco range offers very good quality for the price, and the 2019 BenMarco Cabernet Sauvignon, produced with grapes from Los Árboles in Tunuyán, is a textbook varietal example with balsamic and herbal notes, great definition and balance, ripeness and finesse. It matured in second use French barriques for 11 months."
