SIN LÍMITES MALBEC
ORGÁNICO

-2020-
UCO VALLEY, MENDOZA

"Lots of sour black cherries, some baked currants and dried flowers, dried herbs and stems. A full-bodied red with broad-shouldered tannins. Chewy, but still polished and refined. More structured than the 2021 vintage, but less tangy. Characterful. From organically grown grapes. Better in 2024."
