BENMARCO

CABERNET FRANC

-2021-

UCO VALLEY, MENDOZA

"The 2021 BenMarco Cabernet Franc was produced with grapes from the south of Altamira, cropped from a cold and rainy year, and it shows no oak whatsoever after 11 months in second use French oak barrels. This is juicy and varietal with no excess, balsamic and herbal but also ripe with 14% alcohol and fine-grained tannins."

Robert Parker
