BARREL FERMENTED
TORRONTÉS

- 2022 -

UCO VALLEY, MENDOZA

"This is not your typical Torrontés. "Elegant" is the word that describes Susana Balbo's style. This barrel-fermented white follows this approach and shows a nose of subtle aromas of white flowers, peach and wet stones. It is a mineral-textured bottling, offering herbs and honey alongside citrus fruit. Excellent acidity lifts the palate and keeps it vivid into the lemony finish."
