

BRUNO GIACOSA

2017 Barolo Falletto

Vintage: The 2017 vintage will be a year to remember for the challenges that growers faced from Mother Nature, namely hot weather and very little rain. Surprisingly, the wines produced do not show any notes of over-ripeness commonly found in a hot year. This balance in the wines is attributed to the stark temperature swings with cool summer nights tempering the hot days. The Barbaresco is fruit-driven with good acidity, and the Barolo is rich and austere.
