THE VINEYARD

In 1969 Warren Dutton planted this scenic Chardonnay vineyard on a redwood ringed, east-facing hillside in Green Valley. Originally budded as Old Wente selection, it turns out that over half of the wood he received was a so called “chardonnay musqué” selection, which produce wines of floral, high-toned fruit aromas, and exceptionally rich mouthfeel. The selection has since been propagated across California and is referred to as the “Rued Clone.” Like all of the Wente offshoots, these are not truly “clones” but field selections propagated from preferred vineyard cuttings, rather than a single shoot in a nursery. But the clone is just a small part of the distinction of this magical place. The soil is super sandy Goldridge series, the old vines are dry farmed, impressively healthy, and amazingly consistent, whatever the weather throws at us. The berries are thick skinned and tiny for chard, and produce a wine of solid acidity, unusual minerality, an enticing depth of flavors and tremendous ageability.

WINEMAKING

The exceptional fruit from this old vineyard enables the winemaker to pull out all the stops and still produce a wine of great structure and fruit focus. Rued is 100% barrel fermented, and undergoes full malolactic fermentation. A large portion of the barrels are fermented using native yeast for richness and complexity, while some are inoculated with cultured strains that showcase the floral aromatics of the clone. The blend for this wine was barrel selected in April 2020, blended along with the primary yeast lees, and then sent back to barrel until bottling in April of 2021. For this special wine our signature barrel blend combines the fresh ginger and high-toned spice of Seguin Moreau Premium barrels, the structure and richness imparted by Taransaud, and a touch of Fouquet's ebullience. With the great solidity and concentration of this fruit, long barrel aging elicits a wonderful combination of lushness and complexity in the wine.

THE WINE

A wet winter got our vineyards off to a healthy start, and the moderate summer that followed allowed for even and slow ripening. The resulting wines have a bit of extra plushness, which shows in our Rued Chardonnay with a creamy quality to the opening aromatics. The classic lychee and tangerine are framed by pretty gardenia, Asian pear, and a little nutty brioche. In the mouth, the wine is rich yet remains light on its feet, and beautifully balanced. Lively lemon drop flavors lead the way, supported by jasmine accents. The long succulent pear pie finish is topped off with brisk citrus zest before a final kiss of butterscotch. Go with dishes that match the texture of the wine, such as a creamy lobster risotto, seared scallops, and butter poached halibut. For cheeses, select those with a salty bite, like our Valley Ford Estero Gold Reserve, as a counterpoint.

Dutton-Goldfield Winery began in a vineyard in 1998, when longtime colleagues and friends Steve Dutton and Dan Goldfield recognized a shared vision between them—to craft wines that express the personalities of their vineyards, and which they'd enjoy drinking at their own dinner tables. Our mission is to produce world-class wines that display the brightness of fruit, complexity, structure and balance that are reflective of our cool coastal home.
