

BENMARCO

SIN LÍMITES MALBEC
ORGÁNICO

-2020-
UCO VALLEY, MENDOZA

"Bright purple in hue, the simple aromas are reminiscent of what you might find in a fermenting vat including violets, tuberose, fresh plum, blackberry and hints of gunpowder. The broad, juicy palate is relaxed but offers some light, shapely tannins before the long lasting, fruity finish. The 2020 sets a standard for Malbec in a difficult year."
