ORNELLAIA 2004: 92 POINTS

“Deep ruby. The initially reticent nose begins with a hint of grass before revealing wonderfully complex notes of raspberry, red and black cherry, leather, tobacco and intriguing minerality. Much more explosive on the palate from the get-go, with deep, ripe red and black fruit flavors given extra lift and complexity by pretty coffee and dark chocolate highlights. The very long, nuanced finish features smooth tannins. A very successful Ornellaia.”
