## 2007 Sagrantino di Montefalco 25 Anni

“On the nose, this wine was a monster with raspberry, holiday spices and dark earthy and forest notes. It verged on sweet, but there was something primal about this Sagrantino, which pulled it back to reality. On the palate, a massive wave of concentration was turned fresh by vibrant acidity, as blackberry jam, pomegranate, cinnamon and herbs washed across the tongue like silk. The finish showed this wine’s intimidating structure, as velvety tannin coated the mouth. The Arnaldo Caprai 25 Anni is highly enjoyable now and will likely age into something magical.”
