2006 Sagrantino di Montefalco
Collepiano

"Mint, sage, eucalyptus, wild cherries, plums, juniper berries and licorice are just a few of the nuances that emerge from the gorgeous, utterly compelling 2006 Sagrantino di Montefalco Collepiano...an especially exotic vintage for the Collepiano... Despite the wine's formidable structure, there is more than enough fruit to balance the tannins all the way through to the long finish.."
