## MASIANCO

IGT delle Venezie  
Pinot Grigio & Verduzzo

---

*“Summer lends itself to light, crisp and refreshing wines, but what goes best with the food you’re serving?... We’ve put together a list of some fun wines that are perfect as gifts or for guests this summer. My favorite is the 2008 Masianco Pinot Grigio and Verduzzo.*

*Light but intricate. Its pleasing balance of citrus and floral notes is met with a surprising hint of red apple and red raspberry...*

*The grapes, picked deliberately overripe, lend a certain richness to the wine, making it a perfect partner to white meat dishes like Pork Tenderloin with Roasted Tomatoes.”*
