

OBERON

Napa Valley

2014 Sauvignon Blanc

Our Sauvignon Blanc is distinctive in style because its fruit is sourced from both our warmer Oso Vineyard, located in northeastern Napa Valley, and the cooler Milliken Vineyard in the southern part of the valley, resulting in the perfect balance of acidity and richness. Sauvignon Musqué is belnded in to add another layer of richness and expressive aromatics to the blend.

Our 2014 Sauvignon Blanc is alive and vibrant with flavors of citrus and passion fruit, tart kiwi, and orange blossom.
