“Emblem's 2010 Cabernet Sauvignon Oso Vineyard is rich, juicy and deeply expressive. Plum, black cherry, graphite, tar and licorice meld together in an intense, full-bodied Cabernet Sauvignon. The 2010 brings together the structure of the year along with an overt expression of fruit, which makes for an appealing wine that should drink well young but also develop nicely in bottle. Mocha and sweet French oak linger on a powerful finish laced with incisive mountain tannins...Within the context of Napa Valley Cabernet Sauvignon, this is a terrific value.” ~ *Antonio Galloni*
