**VINTAGE 2015:** Up to the end of June, the 2015 vintage was characterized by a climatic trend that was cooler and rainier than seasonal averages. Overall, from 1 October 2014 to 30 September 2015, rainfall reached 763 mm compared to the 656 average of the last 10 years. In July the maximum temperatures recorded were higher than the average values for the period which favored the ripening process of the grapes. The considerable temperature fluctuations

between day and night favored the concentration of aromatic precursors in the grapes.

**DIALOGUE WITH ART:** the wine made its debut in 1992 as Chiarandà del Merlo from the names of the two vineyards where the Ansonica and Chardonnay grapes were grown. Ten years later the name has been simplified to Chiarandà and the label has been enriched with a female figure that suggests complexity and refinement.

**FIRST VINTAGE:** 1992.
