WINE ADVOCATE

The 2017 Testamatta Bianco Isola del Giglio takes you on a momentary holiday to the Serrone vineyard on the beautiful Giglio Island off the coast of Tuscany...a terrestrial paradise where azure sea waves lap up against rounded granite rocks. Testamatta Bianco is a pure expression of Ansonica...the bouquet offers fragrant tones of apricot, honey, and candied orange peel. This is a medium-bodied white with a touch of tannic structure that adds a bit of crunch and snap to the palate...alluring...briny, sea salt flavors that are so deftly put on prominent display. There is no other white wine quite like this. It tastes as if you were eating a beautifully ripe summer peach while splashing around in foamy sea surf.
