

2016 Cabernet Sauvignon

Fruit for our Cabernet Sauvignon is sourced from Napa's finest winegrowing regions, including Oakville, Oak Knoll, Yountville, Chiles Valley and Capell Valley. By layering the fruit, which is uniquely expressive of each region's soil type, the result is a complex wine with rich texture and flavors.

Our 2016 Cabernet Sauvignon is deep in color, supple in texture with vibrant black cherry, candied blackberry and hints of coffee, dark chocolate and spice.
