**DIALOGUE WITH ART:** "From the disheveled tresses the color of the sun, seawater flowed over the green, wide-open eyes." Thus Giuseppe Tomasi di Lampedusa describes Lighea, the bewitching siren and principal figure in his novel. She has inspired the creation of a complex and innovative wine and an equally original label. "It was not easy to print this label", Gabriella (founder of Donnafugata, with her husband Giacomo) recalled, "and preserve the thousand shadings of colors of the island, painted in the original drawing."
