LA ROCCA 2021 GAVI DOCG

Coppo has managed Tenuta La Rocca in Monterotondo (Gavi) since the mid-1980s. Gavi is a classic white Piedmontese wine, made entirely from Cortese grape. It is one of the region's oldest native varieties. Its name derives from the wine's original consumer - the noble court, *corte* in Italian. La Rocca comes from marly calcareous soil that lend it an unexpected mineral complexity.

APPELLATION: Gavi Docg
GRAPE VARIETY: Cortese
EXPOSURE: south - southeast - southwest
SOIL COMPOSITION: calcareous marl
VINEYARD ALTITUDE: 1050 ft a.s.l.
