## SELECCIÓN FINCA MONTE ALTO 2019

Selección Finca Monte Alto comes from the Monte Alto plot. This emblematic plot lies at 150m above sea level on 7 ha. of land from where the best grapes were selected to make a mere 11,822 bottles of wine. The vineyard is 33 years old and the vines are trained on a trellising structure. The soil has a sandy loam texture with many pebbles due to its proximity to the Miño River.

In 2019 budding was quick and irregular, Spring was windy and adverse weather conditions during blossoming caused the clusters to be smaller and less compact. Ripening was marked by a dry summer with stable weather, enabling the fruit to mature well and a dry and sunny harvest. Alcoholic maturation was perfect. Great balance between alcohol and acidity.

**VARIETAL** 100% Albariño.

### WINEMAKING

This wine is made following the traditional method, with alcoholic fermentation taking place at a controlled temperature, 14°C at the beginning of fermentation and 16°C towards the end. Selected native yeasts are used and the wine is kept on fine lees for at least 12 months in stainless steel tanks. After which the wine was stabilized, filtered and bottled.
