

BIBI GRAETZ

2020
**COLORE
ROSSO**

"Cherries, strawberries, raspberries, seaweed and soy sauce mingle with the scent of freshly paved road, gun flint and pencil on the nose of this wine. It offers a very cherry palate, with wet stone, white pepper, rose petal and chocolate-covered orange slice. A bright and lively wine, it balances structure with playfulness, and delivers fruit that is mouthfilling without turning velvety."
