

BIBI GRAETZ

2020
**COLORE
ROSSO**

"The 2020 Colore is spiced and pure, with vibrant ripe cherry, cinnamon, and cedar. There is elegance and ripeness within its medium frame, revealing notes of wild raspberry, dried herbs, and orange zest. There is another level of refinement from the Testamatta that will continue to improve over the coming 15-20 years. Located in Fiesole, Bibi Graetz founded his eponymous estate in 2000. All the red wines are entirely produced from Sangiovese and offer the wonderfully polished style of the region, which is why I have included them here as a stepping stone for what is to come with my next report on Chianti."
