

BIBI GRAETZ

2020
**TESTAMATTA
ROSSO**

"Scorched earth and pure sun-ripened fruit are at the forefront of the 2020 Testamatta, with ripe red cherry, tarragon, and toasted cedar. Medium bodied, with a mineral and lifted texture, it offers fine tannins and a citrus tinged finish. A razor edge of acidity drives the wine forward and creates a linear feel. It will certainly benefit for more time in bottle to ease into its full potential and can be enjoyed over the next 15 or so years."
