WINE ADVOCATE, FEBRUARY 2023

"The Barone Ricasoli 2019 Chianti Classico Gran Selezione Colledilà exudes an elegant fruit profile, but the wine is not without significant intensity and concentration too. With Sangiovese from clayey limestone soils rich in calcium carbonate and poor in organic matter, this wine also boasts that beautiful minerality that we saw in the others. Delicate berry fruit cedes to crushed oyster shell, dark spice and campfire ash. To the palate, the wine is high, firm and long."
