

BIBI GRAETZ

2020 COLORE ROSSO

"The 2020 Bibi Graetz Colore has beautiful, appetising aromas of savory wild herbs, wild-flowers and Mediterranean shrub with a light peppery note and on standing there is an aroma of strawberries warmed in the sun. The palate is round and soft, then mouth-wateringly fresh, then it finishes with savory, salty tannins. What I love is that the flavours are clearly delineated and remind me of Sangiovese and the Tuscan landscape with bitter cherry, light sea salt, iron tonic and wild herb notes. The flavors are quite fragile but persistent, the texture is fine and silky and there is a lot of savory, mineral tension in this wine."
