BARREL FERMENTED  
TORRONTÉS

- 2021 -

UCO VALLEY, MENDOZA

"Always among the best and most ambitious Torrontés bottlings in Argentina, partly because of the quality of its Paraje Altamira terroir, this new French oak-fermented white is taut, stony and understated, with perfumed vanilla and nutmeg spices, stony reduction and notes of grapefruit and fresh limes. 2023-28"
