

BIBI GRAETZ

2020
**COLORE
ROSSO**

“Wow – this is sumptuously pure, ripe and delicious. It is a show stopper! This tastes of sweet cherries, baked strawberries in a cobbler and raspberry preserves. The tannins have some lightly nudging dryness that is readily absorbed by the electric, concentrated fruit core. The acidity is vigorous and refreshing. Full-bodied with seamless structure, this will easily age well. (Aged in old barriques for 20 months.)”
