Ben Ryé

POINTS

“The 2021 Ben Ryé is a total pleasure, seducing with a bouquet that mixes sweet smoke with tangerine, mint leaf and clove. Like pure nectar on the palate, this envelopes all it touches in texturally ripe orchard fruits and tropical melon.

Sweet spices and sour citrus add contrast toward the close. It finishes spicy and long, leaving a dusty inner floral sensation and hints of candied ginger and lime. Ben Ryé is always a total pleasure and, in my opinion, one of the top dessert wines produced in Italy.”
