2020 CEPPARELLO IGT TOSCANA

"Supple and smooth, the 2020 Cepparello brings Sangiovese to soaring heights in a manner only Paolo De Marchi can manage. This is his second to last vintage before he would retire and sell this historic estate. The wine opens to medium to full-bodied concentration with dark plum and redcurrant. Those cede to sweet spice, earth, crushed stone, rusty nail and candied orange peel. Give the wine more time to flesh out with cellar age."
