*“Ripe, displaying a juicy mix of clearly defined lemon gelée, white nectarine and honeysuckle notes that have good energy right from the start, with bold quince and meringue accents on the finish.*

*Drink now through 2025.”*

*“Very creamy, with plenty of candied-lemon and orange character and touches of hay, this is a rather full-bodied and textural white Rhône. Interesting toasty nuances at the supple finish. From organically grown grapes. Drink or hold.”*

*“Pear, melon, citrus and hints of white paste appear on the nose of the 2020 Crozes Hermitage Blanc Les Meysonniers. It's medium to full-bodied, clean, zesty and fresh, yet perhaps could use a bit more breadth and richness.”*

Joe Czerwinski, January 2022
