MILLÉSIME 2013

“A bright yellow hue, its aromatics are exquisite and well-balanced, with fresh notes of key lime, candied apple, fresh croissant dough, fresh pineapple, and honeysuckle. Medium to full-bodied, it fills the palate with a rounded and supple texture and a pillowy mousse. It’s long on the palate and has a silky personality as well as a long, pristine finish. It has a fantastic balance of decadence and freshness, and I could drink this all day. It’s going to have a long drinking window.”
