### COLORE ROSSO

"Bibi Graetz makes wine in a privileged location overlooking the city of Florence and we have been privileged to taste some of his amazing wines with him. He prefers to source his grapes from older vines and uses Sangiovese, Colorino, and Canailolo grapes to make this delightful and delicious wine. The 2019 vintage of Colore is made to celebrate his 20th anniversary and has aromas of black cherry, black currant, and a touch of dried Mediterranean herbs with flavors of ripe dark fruits, black plum, raspberry all wrapped in a velvety tannic sheath plus there's a nice burst of acidity in the long, long finish."
