

CHARMING BY LAURENZ V. GRÜNER VELTLINER 2021

“The 2021 Grüner Veltliner Charming Reserve, from grapes grown across Kamptal and vinified in stainless steel, has the slightest note of blossom honey on its shy nose. The palate is concentrated and has let go of its youthful fruit. It provides a sleek sense of concentration and linearity. The 2021 is elegant, poised, fresh and beautifully pervasive, with a lasting finish. (Bone-dry)”
