

OBERON

2023

Napa Valley

SAUVIGNON BLANC

94 PTS

"Oberon has proven to be one of the most reliable sauvignon blanc producers in the country. The 2023 bottling further confirms the reputation is well earned. Brilliant straw gold in the glass; the nose and palate are dominated by bright and clean tree fruit, with hints of honeydew. Vivid and focused on the palate — a versatile and lovely wine."
