**ROERO ARNEIS**

“The nose is fresh and savory, with notes of white peaches, melon rind, lemon oils, and light savory chive notes. Perfectly suited for pairing alongside crudo and vitello tonnato, this medium-bodied white is refreshing and spritely, with a touch of white pepper and a kiss of sweet fruit. It can be enjoyed over the next few years, but it’s so good now while it's fresh, there’s no need to wait.”
