“Picked in late January to counteract the heat of the 2024 vintage, this mostly comes from the La Brava vineyard at 1,750 metres, blended with 5% from Colomé’s home vineyard at 2,300 metres. White flower aromas lead you into a palate of lime, kiwi fruit and clementine, with good texture on the palate and a broad, slightly oily finish. Classic warm climate Torrontés. 2025-27”
