Anthìlia

POINTS

“A remarkably pretty blend of lemon oil, rosemary and crushed green apple wafts up from the 2024 Bianco Anthìlia. The palate is soothingly round, with a salty flourish contrasted by white pit fruits as perfumed inner florals swirl throughout. It finishes dry yet fresh, with tropical citrus and a floral resonance that linger. The 2024 Bianco Anthìlia aims to please and has a beautiful balance that makes it enjoyable at the dinner.”
