MALBEC
2022

94
POINTS

“...25% new oak contributes complexity and character. Deep purple in color, it opens with blackberry, plum, spice and floral notes against an oaky backdrop. The palate mirrors these elements with juicy fruit, a plush texture, active tannins and a hint of chalk. The 2022 is long, flavorful and representative of northwest Argentina.”

Joaquín Hidalgo
VINOUS, May 2025
