CEPPARELLO

TOSCANA IGT

POINTS

“The 2020 Cepparello is a total stunner, just as it was last year. Deeply colored, layered and explosive in the glass, the 2020 possesses striking textural richness and overall intensity. Black cherry, graphite, plum, spice and lavender flesh out effortlessly. There's tremendous pedigree and sheer stature here. Cepparello is surely one of the wines of the year.”
