MILLÉSIME 2012

“Golden yellow-hued, the 2012 Champagne Millésime has notes of pineapple, brûléed citrus, honeyed ginger, and lemon curd. Round and full, it offers a pillowy mousse with a long finish. It has more ripeness than the 2013 but has fantastic underlying tension and acidity. It’s deceiving, as it is quite approachable now but also has the bones to age over the coming decades.”
