CHAMPAGNE

MILLÉSIME 2012

"A graceful Champagne that waltzes across the palate, with a fine, plush mousse carrying a lovely range of ripe black cherry, pureed raspberry, candied ginger, Mandarin orange peel, grilled nut and pastry flavors enlivened by a vibrant spine of lemony acidity. To a certain extent, the precision and elegance belies the focus and breadth on display, so sip this slowly and enjoy as it opens in the glass and expands on the palate, echoing on the finish."
