Rare
CHAMPAGNE

MILLÉSIME 2012

BEST OF SHOW

“We haven’t featured three Champagnes for our Top 50 Best In Show in recent years...You can almost smell that tension in the aromatic restraint of this Champagne, but keep looking and you’ll find much to relish, too, including flowers from the Chardonnay and root spice from the Pinot. Age mingles the two seamlessly. Once in the mouth, this is a Champagne of structure and proportion, and it’s here, too, that you can see the skill and restraint with which all the elements have been chamfered and jointed into place.”
