

OBERON

Napa County

CABERNET SAUVIGNON

2023 **97** POINTS

"This wine demonstrates the power and finesse that people have come to expect from Napa cabernets. Exceptionally deep color in the glass, the nose and palate reflect the complexity and power of the wine. Black cherry and berries, with notes of cocoa and baking spices add to the flavor and lingering finish."

Beverage Dynamics, December 2025
