Dolce&Gabbana  
Donnafugata

Etna Rosso DOC - Sicilia

**DONNAFUGATA®**  
SICILIA • SICILY

2020

**94** POINTS

"It pours a medium red color with a light orange tinge, with the nose revealing notes of sandalwood, cherries, clove, Mediterranean herbs, and crushed flowers. Medium-bodied, it boasts an additional level of refinement, featuring a silky texture, with even tannins and a balanced feel. It's ready to enjoy now, although it should also provide another 10-15 years of enjoyment ahead."

- JEB DUNNUCK 2025

**93** POINTS

"Wild strawberry, wild cherry, mandarin blossom, crushed rocks, wild oregano and thyme on the nose, then more sweet fresh wild berries on the palate anchored in more savory wild herbs and damp earth. A hint of chocolate paves the way for a finish that soars with salinity."
