Sicilia DOC Rosso

2022

91 POINTS

"A bright, fruity wine with aromas of raspberries, black cherries, fresh roses and pepper. Crunchy on the palate, with a light to medium body, crisp acidity and a chalky finish."

- JAMES SUCKLING 2025

90 POINTS

"Spicy and intense...with a display of crushed blackberry, blood orange, sage and ashen stone. Silken textures wash across the palate, offset by cool-toned acidity, as a wave of ripe wild berry fruits and citrus tones adds saturating tension toward the close. Pleasantly chewy and long, it leaves a resonance of bitter dark chocolate and edgy tannins to fade slowly through the structured finale."
